Dear Friends:

It is with great pleasure that I wish to commend the Eve Fenton Love-All Foundation for all the hard work and dedication they put forth to ensure that their mission to serve children is met with diligence and perseverance. In three years, the work that this organization has been able to accomplish has been vital to the wellbeing of countless disabled and underprivileged children.

Our communities strongly depend on the compassion and commitment that organizations like this one provide and for that I am truly grateful. There is a wide range of programs offered by the Eve Fenton Love-All Foundation that range from fine arts programs and physical education, to mental health care and hospital visits, all offering a child the opportunity to smile.

Often time's efforts like these go unnoticed however I wish to praise the Eve Fenton Love-All Foundation for helping build positive communities and happy childhoods.

Sincerely,

Adam C. Powell
