Dear Ms. Fenton:

I want to thank you and the many people who collaborated and contributed to the end of year holiday party for children at the *Mount Sinai Medical Center*. Patients from the general pediatric and pediatric neurology clinics attended.

In addition to wonderful food, each child received a gift which had been donated. The children were delighted. I think the party was a real success.

Thank you and all who volunteered to make this third annual event a success.

Most sincerely,

Alan M. Aron, M.D.
