Dear Friends:

I am pleased to have the opportunity to send greetings to each of you attending the Eve Fenton Love-All Foundation, Inc.'s Gala Inaugural dinner. I join my voice with yours in honoring the organization's president Vicki Fenton, and honorees Ken Daneyko and Dr. Alan M. Aron and for their dedication to the Eve Fenton Love-All Foundation's cause.

I applaud the Foundation for their service to both New York City and the greater community. The many resources provided by this non-profit are integral to helping provide indigent and disabled children with a better quality of life. From offering fine arts programs to mental health care and physical education, the organization's community building efforts have greatly improved the services offered to children in need.

It is my hope that Eve Fenton Love-All Foundation work will inspire others across the nation to become more actively involved in the well-being of their societies. Your dedication to assisting those in need is commendable and I thank you for your commitment to building stronger communities.

Please accept my best wishes for a wonderful event and much continued success.

Sincerely yours,
