Dear Ms. Fenton:

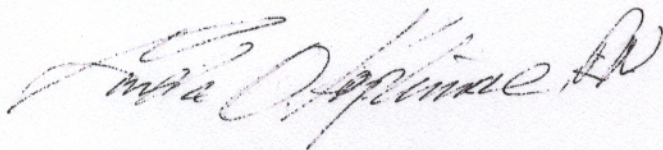

I am writing once again on behalf of all the children who attended the Pediatric Clinic on October 9, 2008 at The Mount Sinai Hospital. Your recent event in our clinic was a huge success. Our children are so fortunate to have you coordinate a fire safety workshop with the New York City Fire Department.

In light of this weekends tragic deaths of small children and their parents caused by fire in New York City; I reflected on the vital information our children received on fire safety that day. The firefighters imparted information in a way that made an impact.

As always the food and refreshments were enjoyed by Moms, Dads and Children. I would like to thank all of the companies who have provided these charitable donations. Their generosity is overwhelming.

Thank you to all for your hard work and dedication to making the lives of children happier, healthier and safer. I look forward to your next event here at the clinic.

Respectfully,

Linda O. Koplinae, MSN, RN, NE-C
